Monthly Bulletin 16th January 2010

Good evening one and all and a very warm welcome to another Club meeting. The working party wish you all a happy and healthy new year and look forward to seeing as many of you as possible attend our monthly concerts.

Last month we all welcomed the "regular return" of Chris Powell for our Christmas concert. Chris and his Dad braved the appalling weather conditions, which defeated quite a number of members and guests. This was quite understandable for the latter as although the main roads were relatively free flowing the side streets were very treacherous for cars and pedestrians alike. We certainly missed quite a number of you!!!. Chris put on a very good show, as always, an excellent blend of popular music intermingled with Christmas favourites.

Tonight it is our pleasure to another new artiste to our Club James Goff and I know you will enjoy his playing.

The club is on the internet and the web site is:- www.cokc.org.uk.
(You will also find these details on your membership cards).

If you can, you should take the opportunity to visit our site as you will find information on the Artistes under the heading of "Next Artiste". It is our aim to post the forthcoming bulletins on the web site for all to read which will hopefully cut down the numbers of bulletins to be printed each month.

Members are reminded that the November "regular return reward" ticket will be drawn this evening.
