

# Chelmsford Organ & Keyboard club

## Monthly Bulletin January 15th 2011

Good evening one and all and a very warm welcome to our first meeting of the New Year. The "Working Party" wish you all a happy healthy New Year.

Last month, sadly, we had to cancel the Concert virtually at the last minute. I was talking to Nicholas Martin right up to the time he was due to depart and although the roads were relatively clear in Leicester, heavy snow was expected. Nicholas graciously said he would postpone his visit and this proved to be the right decision as Chelmsford was snowed in.

The W/P went into action contacting the members, who in turn contacted other members which as a result nobody arrived at the Church that evening. Thank you Terry (Boreham) for trudging through the heavy snow to the Club to deal with any member who had not heard of the cancellation. Thankfully as previously stated no one arrived!!!

Tonight it is our pleasure to welcome the return of Mark Thompson all the way from Northumberland playing his Yamaha EL90.

The club is on the internet and the web site is:- [www.cokc.org.uk](http://www.cokc.org.uk). (You will also find these details on your membership cards). Please visit our site, which contains much information and also the monthly bulletin. With regard to the latter the more members who do this greatly reduces our printing costs.

I am pleased to report that the charity concert arranged by our Jenny "Nicholas" in aid of the "HELP THE HEROES" fund on the 26th of November last was a resounding success. Jenny has asked me thank all who supported this very important cause.
